Outdoor Patio Fireplace

This steel, wood burning CHIMINERIA patio fireplace also comes with a all new rain cover. The unit can be easily and quickly disassembled into 5 sections so it can be transported in a SUV. Side door slides opens and closes easily. Comes with log stoker and side-hanger for the stoker. The top of chimney can be left open or closed with lift-off style lid. The Chimney is 54 inches high x 24 inches wide. The legs on the chimney add an additional 5 inches to the width.

Good condition.

Selling Price: \$50.00
